

Wine Tastings

at Dryhill in the heart of the Cotswolds

With Tracey Bird of Cotswold Wine Tasting

I am a freelance wine professional making wine tastings fun and informative with the flexibility to suit all budgets and formats. I have been working in the wine industry for 10 years and have partnered with **Dryhill** to offer their guests a wine tasting experience.

I can tailor a tasting for one-to-ones, small parties and family gatherings. Tastings can be themed to a grape, country, style or left more open - All whites, all reds, or all fizz or a mixture.

Costs will vary depending on no. of people, style and qty of wine, however, its best to budget £50-£70 per person for groups of 6.

I supply all wine and glasses; tasting sheets if required and spittoon.

Dryhill is a fantastic location for a tasting and offers many places inside the properties and out in the gardens to make your tasting special.

Give me a call or drop me an email and we can talk your ideas through.
